

The Summary Report on ITC 2010

International Conference on Recent Trends in Information, Telecommunication and Computing, ITC 2010 successfully held from March 12-13, 2010 in Kochi, Kerala, India.

The primary goal of the conference is to promote research and developmental activities in Computer Science, Information Technology, Computational Engineering, and Communication. Another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in India and abroad. The conference will be held every year to make it an ideal platform for people to share views and experiences in Information, Telecommunication, Computing Techniques and related areas.

CD media of the Proceeding of the ITC 2010 International Conference is slated to publish by the **Conference Publishing Services**. All the presented papers will be archived in the IEEE Xplore and IEEE CS Digital Library

CONFERENCE STATISTICS

Statistics by Country

COUNTRY	NO. OF PAPERS
Korea, Republic of	4
Malaysia	6
Iceland	4
Saudi Arabia	1
Sweden	3
Pakistan	6
Taiwan, Province of China	2
United States	12
Australia	3
Iran, Islamic Republic of	13
Singapore	5
India	288
TOTAL	347

Details of Paper Acceptance:

Number of paper submissions Received: 347

Number of papers rejected due to wrong format: 4

Number of paper Received: 344 (in Correct Format; which is send for review)

Number of paper Accepted: 100 (in all Tracks & Categories)

Number of paper Rejected: 354

Acceptance Rate: 29.07 %

Submission Systems Used

All papers must be submitted as PDF file format. Prospective authors are invited to submit full (and original research) papers (which is NOT submitted/published/under consideration anywhere in other conferences/journal) in electronic (PDF only) format through the easy chair conferences management system website or via email **itc.paper AT engineersnetwork.org**

ITC 2010- PROGRAM DETAILS

The Inauguration ceremony of the ITC Conference began with the silent prayer at 9.30am. The Conference was inaugurated by the chief guest, Dr. Paulose Jacob (Director and Head, Faculty of CSE, CUSAT, Kochi) on the March 12, 2010 at 9.30 am , by the lighting of the lamp. This was followed by the unveiling of the CD media of the proceedings of the ITC 2010 by Dr. Paulose Jacob.

Just after the inauguration ceremony a message of ACEEE is delivered by Prof. Dr. Janahanlal on “Gravity of the Climatic Change and Role of ACEEE.” Dr. Brajesh Kumar Kaushik (IIT Rourkee) has addressed the gathering and gave the Key note on “Process Variations in Driver Interconnect Load System,” highlighting the various areas of research .

The sessions for the presentation of full, short and Poster papers have been organized in two halls namely Penta and Durbar. Three papers have been selected for the best paper category and they were honored at the Closing Ceremony.

The Chief Guest at the Closing Ceremony function was Dr. J Issac (Principal, Rajagiri College of Engineering & Technology, Ernakulam, India), who had give a lecture on the “Life and Engineering World”. Dr. Gylson Thomas (Professor & Head, CSE, MES College of Engg, Kuttippuram, Kerala) put up the feedback on ITC 2010 conference. Prof. Thankachan , Chief General manager of Network Engineers ,gave the vote of thanks to all the delegates , dignitaries , the office bearers of IEEE and ACEEE and the Conference

The Conference ITC 2010 came to conclusion with the singing of National Anthem.
